About Us

SN Home Decor, formerly known as **SYMPHONY DRAPES**, has been established in **2005** as a leading **manufacturer and wholesaler** of **Curtain Fabrics, Upholstery Fabrics and Readymade Curtains**. The only Vision is to provide quality products & services that exceed the expectations while building long term relationships with our esteemed customers. Company strategy is to be the leader of the Home Furnishing Industry by providing our customers with all the home decor products at one place.

Network:

With a strong existence of more than a decade, the company has been able to form a well-distinguished business network that is spread Pan India across all domestic markets. Based on the same, we are able to dispatch our consignments to the set destination within the specified time-frame.

Service:

We realize and are sensitive about the fact that home furnishings is a service oriented industry. Hence delivery within the minimum specified time frame is one of the key factors in client satisfaction and we have been able to manage that with our excellent team of professionals.

Innovation:

At SN Home Decor, we believe innovation is a continuous process and we have a dedicated team of creative and technical professionals who help in introducing new and fresh concepts to the market on a regular basis.
